———— DMC-699 christmas green (19.79 inches, 0.1 skeins)

———— DMC-3837 lavender - ul dk (34.36 inches, 0.1 skeins)

Welcome to the October part of the Blackwork SAL!

This is the rectangles pattern.

As you are doing rectangles you can do them all! Just pick where you want to stitch each bit of pattern and have fun!

## Notes:

- I have made the pattern so it fits on one page for the pattern and a single page for the notes.
- I have given a full rectangle only - if you are doing an edge shape this time just do only the bit that falls within the shape you have chosen this month (there are just too many options for me to draw them all for you, sorry.)
- If you are doing a vertical rectangle you can choose to either rotate the pattern 90 degrees (a quarter turn) or start at the top and fill the width of your shape following the pattern, then just keep the repeats as you go downwards.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #BlackworkSAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

If you downloaded this pattern via a link on any other site than <https://MagicalQuilts.blogspot.com> or via me directly then you have probably downloaded a stolen copy of my pattern.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared
