Welcome to the January edition of the Bookmark SAL!

This is the option 1 outlines. The cross stitches show the placement of the stitched bookmark - you do not need to stitch these a second time.

Please refer to the blog post for further instructions.

All lines in this part of the pattern are straight stitches - so all lines go in and out of the fabric at either end of the lines given.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #BookmarkSAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post on <https://MagicalQuilts.blogspot.com>. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

If you downloaded this pattern via a link on any other site than <https://MagicalQuilts.blogspot.com> then you downloaded a stolen copy of my pattern.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared
