Welcome to the June edition of the Bookmark SAL!

This is the other count version for use on Aida or evenweave.

You can choose to do a skinny bookmark and do just one column of the pattern or make it wider by doing both.

All stitches that cross more than one stitch corner to corner are straight stitches.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #BookmarkSAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post on <https://MagicalQuilts.blogspot.com>. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

If you downloaded this pattern via a link on any other site than <https://MagicalQuilts.blogspot.com> then you downloaded a stolen copy of my pattern.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared
