French Knots:
DMC-666 christmas red - br (23 French knots)

Welcome to the February edition of the Easy Christmas Cards SAL!

To do the stitching the way I did it start in a corner and go to the middle of each star shape, go round (either clockwise or counter clockwise, just be consistent) from the outer edge to the centre for each one.

Then for each "French Knot" marked on the pattern use a sequin and a bead to hold the sequin in place.

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #EasyChristmasCardsSAL as the tag on most social media.

This pattern was given for your own personal use on http://magicalquilts.blogspot.com/ . You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post on https://MagicalQuilts.blogspot.com . This includes sites such as Pinterest and Facebook! So for example saying “I stitched this and you can get the pattern here” with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

If you downloaded this pattern via a link on any other site than https://MagicalQuilts.blogspot.com then you downloaded a stolen copy of my pattern.

You may of course share your finished results where you like, it’s just the pattern itself that may not be shared
