Welcome to the third of 12 monthly fobs in the returning Fob a Month! As usual this month I also made a pincushion to go with the fob.

Notes:

• Make sure you stitch each piece at least 10 stitches away from the other pieces in every direction so you have enough space for the seam allowance. The pattern has them closer together to save on paper when printing.

• This month uses a blended thread - this isn't scary! All you do is take one strand of 3839 and one strand of 3840 and use them as if they were two strands of the same colour - that's all there is to it!

Naturally you can always go ahead and use any colour you like for this!

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
