Welcome to the ninth of 12 monthly fobs in the returning Fob a Month! As usual this month I also made a pincushion to go with the fob.

Notes:

• Make sure you stitch each piece at least 10 stitches away from the other pieces in every direction so you have enough space for the seam allowance. The pattern has them closer together to save on paper when printing.

• All backstitches that cross more than one square diagonally corner to corner are straight stitches.

Naturally you can always go ahead and use any colour you like for this!

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
