Welcome to the twelfth and last part of the Medieval Owl SAL!

## Notes:

- This month you are getting the right hand side of the head.
- The owl has many colours that are just a few stitches here and there. It's probably not a good idea to make too large of a jump from one colour to the next. Small jumps are ok though.
- Check the grid picture in the overview post to see when you get which bit.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #MedievalOwlSAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared.
