Welcome to the ninth NFSAL hosted on my blog!

I hope you enjoy this pattern which was originally started as Neglected Floss SAL hosted by Stitching Pirates on Deviant Art but is now hosted on my blog.

This year I decided to do a different pattern each month - what it is and what size it will be is a surprise but you will be able to stitch each one using a single colour thread or a variegated thread - or more if you decide to stitch the patterns using leftovers from other projects.

This is the September pattern.

This month uses both back and straight stitch. All stitches that cross more than one stitch corner to corner are straight stitches, all others are backstitch.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #NFSAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared
