Welcome to the mini border for the 2021 NFSAL!

For 2021 I decided to do a different pattern each month that is a fixed size and can either be used alone, used within a mini border or added to a whole year border.

This is the mini border.

This pattern uses both back and straight stitch. All stitches that cross more than one stitch corner to corner are straight stitches, all others are backstitch.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #NFSAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest etc. is not, nor is posting a photo of your stitching with the pattern showing.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared.
