French Knots:

● DMC-3760 wedgewood (16 French knots)

This is the fourth of the Ornament of the Month patterns! For April I chose wedgewood blue - it's heading towards green but isn't a teal yet.

Note: All lines that go across more than one space end to end are straight stitches, all other lines are backstitch.

If you'd like to add some bling to this pattern try using beads instead of french knots. I'd suggest using Mill Hill 03047 Blue Iris.

I only put one of the four triangles needed on the pattern to save paper since they are all exactly the same, please refer to the Stitching Template I have made in a separate pdf and included in the blog post.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
