This is the eighth of the Ornament of the Month patterns! For August I chose a light tangerine.

Note: I have done the backstitches in black as the yellow just doesn't show up so well in the pattern.
For stitching order please consult the stitching key:

All lines that go across more than one space end to end are straight stitches, all other lines are backstitch.

If you'd like to add some bling to this pattern try using beads instead of french knots. I'd suggest using Mill Hill 62041 Fr. Buttercup.

I only put one of the four triangles needed on the pattern to save paper since they are all exactly the same, please refer to the Stitching Template I have made in a separate pdf and included in the blog post.

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!
