This is the first of the Ornament of the Month patterns! For January I chose a rich purple.

If you'd like to add some bling to this pattern I'd suggest adding a bead into each of the curls of the tree and at the top in the diamond. You could also scatter some beads around the tree. I'd suggest using Mill Hill 2025 Heather for the job.

I only put one of the four triangles needed on the pattern to save paper since they are all exactly the same, please refer to the Stitching Template I have made in a separate pdf and included in the January Ornament of the Month blog post.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.

So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not.
