Welcome to the December edition of the 2020 Ornament of the Month!

There are five beads this month - they are attached with a double sized cross stitch done using DMC 699 (the weird squiggle line on the pattern - don't worry you don't have to make yours squiggle!). I used a single strand to attach mine and went through the beads twice - once each way however you could use two strands and go through on the first half of the x and let each strand of the two threads fall around the bead on the way back.

All stitches that cross more than one square corner to corner are straight stitches.

Please make sure to leave sufficient space (10 stitches apart is enough, but you may prefer more) between the parts for seam allowance, the pattern parts are placed like this to save space on the page.

Refer to the tutorial linked in the post for instructions on how to assemble the ornament.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.

Please do not post this pattern (or parts of it) to other sites but refer back to the blog post. This includes sites such as Instagram, Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest etc. is not. You may also not edit my pattern and then post it.

If you downloaded this pattern via a link on any other site than <https://MagicalQuilts.blogspot.com> then you downloaded a stolen copy of my pattern.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared.
