Welcome to the fifth part of the Weavers Animals Band Sampler SAL!

This pattern is for the small size.

Notes:

- I have made the pattern so it fits on a single page for the pattern and a single page for the notes. It's rotated to landscape mode - I would advise against printing this in portrait mode.
- The light grey/diamond symbol is the border and last month's pattern
- The blue/X symbol is this month's section of pattern, I did it like this so you can colour in where you want which colour should you choose to use more colours.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #WeaversAnimalsSAL as the tag on most social media.

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for personal use only.

Please do not post this pattern to other sites but refer back to the blog post on <https://MagicalQuilts.blogspot.com>. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not, nor is posting a photo of your stitching with the pattern showing.

If you downloaded this pattern via a link on any other site than <https://MagicalQuilts.blogspot.com> then you downloaded a stolen copy of my pattern.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared
