Welcome to the sixth part of the Weavers Animals Band Sampler SAL!

This pattern is for the small size.

Notes:
- I have made the pattern so it fits on a single page for the pattern and a single page for the notes. It's rotated to landscape mode - I would advise against printing this in portrait mode.
- The light grey/diamond symbol is the border and last month's pattern
- The blue/X symbol is this month's section of pattern, I did it like this so you can colour in where you want which colour should you choose to use more colours.

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , mention @Magical525 on twitter or in the SAL Facebook group (linked in the top link) if you make this as I'd love to see the results! I use #WeaversAnimalsSAL as the tag on most social media.
