This time I made a pattern for a pincushion to keep needles sorted to size.

Use your favourite colours for this - or just a single variegated thread like I did for mine.

- I have included an alphabet so you can change things to suit your needs.
- There are two Q's in the alphabet because I couldn't decide which one I liked most. I then decided that it actually doesn't matter what I like - it's what YOU like that matters. So if you need a Q then take your pick and enjoy!
- I used red for the alphabet so you can still see what the floss use is for this project - you don't need to include red in your floss decisions.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.

Please do not post this pattern (or parts of it) to other sites but refer back to the blog post. This includes sites such as Instagram, Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest etc. is not. You may also not edit my pattern and then post it.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared.
