This week's pattern is for the outer cover of a needle book. When you have completed the outer cover all you need to do is decide what you want on the inside - pages or just have the entire inner cover being the place for the needles. As there are so many ways of finishing an embroidery into a needle book I'm going to suggest you do it the way you prefer. You could also use this post as your inspiration: <https://magicalquilts.blogspot.com/2015/03/pattern-blue-floral-needle-book.html>

This is a great pattern to use some leftovers on or some thread you have lying around!

If you don't want to make a needle book how about splitting it into 2 halves and stitch it into a pincushion?

Note: the backstitches on the left are actually giant cross stitches.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.
