The other day I saw that people had started getting the first snow of the year and that inspired this snowflake design. This would make a lovely ornament both like this or hung from a point!

All of the cross stitches in the snowflake itself are stitched with DMC 775, which you can't always see as the symbol is sometimes covered by the backstitches.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on twitter or instagram with @magical525 if you make this as I'd love to see the results!
