This being the first day of December I could not resist something a little Christmassy! I have made a star filled with trees.

This is a great project for those little bits of leftover threads as you can use them up to do the trees - perhaps use a different thread for each tree! Of course this is also where variegated threads will shine so don't forget them when you choose which threads to use.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.
