I had so much fun with the star last week I made a few more - all with snowflakes! I have made the stars different colours so you can see how much thread you need to do each star in case you only do the one.

These are a great project for those little bits of leftover threads! Of course this is also where variegated threads will shine so don't forget them when you choose which threads to use.

Please do leave a message on my blog, http://magicalquilts.blogspot.com/, or mention me on twitter or Instagram with @magical525 if you make this as I'd love to see the results!
