This week's patterns were inspired by the Stibbe Roman mosaics found in Leicester not too long ago.

There are two borders in this pattern, to be used together or separately in any colours you like - this would look fantastic in a variegated thread! Remember you don't have to stitch the white - it's just there so you can see what is and isn't part of the patterns.

Please take care when printing - this is to be printed in landscape mode.

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, or mention me on Twitter or Instagram with @magical525 if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.

Please do not post this pattern (or parts of it) to other sites but refer back to the blog post. This includes sites such as Instagram, Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest etc. is not. You may also not edit my pattern and then post it.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared.
