This pattern was inspired by the Mucha princess patterns Pinky the Pink has made, this one uses the colours of Tinkerbell which you can find here: <http://tinyurl.com/yawxy9ed> (if it hasn't sold out yet as it's a limited edition pattern). Pinky's etsy shop can be found here: <https://www.etsy.com/shop/pinkythepink> with more princesses and much, much more!

All stitches are done in backstitch, the different textures are to help you see the colour differences. The second pattern is there to show the lines more clearly if you can't read the original pattern.

If you prefer you can of course always go with a completely different pallet than the one given! Make it yours if you like, I'm all for it :) Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. If you wish to sell the embroideries made with my patterns please contact me first :)

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as pinterest and facebook! You may of course share your finished results where you like.
