This is the 3rd of the 31 patterns that I will be giving on my blog over the month.

Today's pattern is a more neutral toned pattern with a whimsical all over flower pattern on the darker brown area.

If you don't like the colours then by all means change them, it's your project so you should make it in colours you enjoy!

The + in the centre is the middle of the pattern, marked for your stitching ease. The brown backstitched line is the seam line of the stockings should you join them into a single stocking. I'd suggest whip stitching them together wrong sides facing.

For more ideas on how you can use these patterns please look here:
