This is the 10th of the 31 patterns that I will be giving on my blog over the month.

Today's pattern is inspired by the mucha princess patterns Pinky the Pink has made, this one uses the colours of Tiana which you can find here: <http://tinyurl.com/yd8ofsrc> (if it hasn't sold out yet as it's a limited edition pattern). Pinky's etsy shop can be found here: <https://www.etsy.com/shop/pinkythepink> with more princesses and much, much more!

You can find the fob pattern I designed for her here: <https://magicalquilts.blogspot.com/2017/02/friday-freebie-tiana-fob.html>

All diagonal lines should be done with a straight stitch - so the needle only goes through the fabric at the beginning and ending of the line.

This pattern calls for it to be mostly stitched with a light green, If you prefer you can use a light green fabric instead and just do the white cuff and straight stitched area's.

If you don't like the colours then by all means change them, it's your project so you should make it in colours you enjoy!

The + in the centre is the middle of the pattern, marked for your stitching ease. The brown backstitched line is the seam line of the stockings should you join them into a single stocking. I'd suggest whip stitching them together wrong sides facing.

For more ideas on how you can use these patterns please look here: <http://magicalquilts.blogspot.com/2017/06/christmas-in-july-overview-post.html>

Please do leave a message on my blog, <http://magicalquilts.blogspot.com/>, if you make this as I'd love to see the results!

This pattern was given for your own personal use on <http://magicalquilts.blogspot.com/>. You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Pinterest and Facebook! So for example saying "I stitched this and you can get the pattern here" with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not.

You may of course share your finished results where you like, it's just the pattern itself that may not be shared.
