This is the 15th of the 31 patterns that I will be giving on my blog over the month.

Today's pattern is a simple Celtic repeat pattern made with green and gold thread. If you really don't want to use gold then perhaps DMC B5200 would be a good choice.

If you don't like the colours then by all means change them, it's your project so you should make it in colours you enjoy!

The + in the centre is the middle of the pattern, marked for your stitching ease. The black backstitched line is the seam line of the stockings should you join them into a single stocking. I'd suggest whip stitching them together wrong sides facing.

For more ideas on how you can use these patterns please look here:

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , if you make this as I'd love to see the results!

This pattern was given for your own personal use on http://magicalquilts.blogspot.com/ . You may not sell this pattern, nor may you offer kits with this pattern. You may not sell embroideries made with this pattern, it was made for charitable or personal use only.

Please do not post this pattern to other sites but refer back to the blog post. This includes sites such as Pinterest and Facebook! So for example saying “I stitched this and you can get the pattern here” with a link is allowed but saving the pattern and uploading it as a file to Facebook or Pinterest is not.

You may of course share your finished results where you like, it’s just the pattern itself that may not be shared.
