## Backstitch Lines:

 DMC-3777 terra cotta - vy dk (21.65 inches, 0.1 skeins)

This is the 19th of the 31 patterns that I will be giving on my blog this month.

This pattern was inspired by the Mucha princess patterns Pinky the Pink has made, this one uses the colours of Merida which you can find here: <http://tinyurl.com/yclog6hv> (if it hasn't sold out yet as it's a limited edition pattern). Pinky's etsy shop can be found here: <https://www.etsy.com/shop/pinkythepink> with more princesses and much, much more!

- The + in the centre is the middle of the pattern, marked for your stitching ease. The terra cotta backstitched line is the seam line of the stockings should you join them into a single stocking. I'd suggest whip stitching them together wrong sides facing.
- All the stitches done over 1 x 2 squares are done with straight stitch - so from one point to another with no stops on the way. All of the other lines are backstitch.
- Please note that the blended colours are listed twice! Once as a normal colour in the main legend and once with the actual colours needed. Please read it all through before stash diving or buying colours as it will make it easier for you.
- If you don't like the colours then by all means change them, it's your project so you should make it in colours you enjoy!

For more ideas on how you can use these patterns please look here:
