This is the 25th of the 31 patterns that I will be giving on my blog over the month.

Today's pattern is a fun little cat head made in 3 different colours, though you coudl do it in the same colour if you like. I would suggest using a straight stitch instead of a backstitch for the longer diagonal lines

If you don't like the colours then by all means change them, it's your project so you should make it in colours you enjoy!

The + in the centre is the middle of the pattern, marked for your stitching ease. The black backstitched line is the seam line of the stockings should you join them into a single stocking. I'd suggest whip stitching them together wrong sides facing.

Please do leave a message on my blog, http://magicalquilts.blogspot.com/ , if you make this as I'd love to see the results!
