This is the second bonus pattern! This is the very last of the stocking patterns for the Christmas in July project - I hope you enjoyed all the patterns!

Today's pattern is something I made because I wanted to see how the lacy pattern of the April Ornament of the Month would look in stocking form and I love it! There are almost 155 inches of back stitch! If all that backstitch is a bit much for you on top of the cross stitch then I suggest using a dark grey or black fabric and doing just the cuff and the backstitch.

If you don't like the colours then by all means change them, it's your project so you should make it in colours you enjoy!

The + in the centre is the middle of the pattern, marked for your stitching ease. The black backstitched line is the seam line of the stockings should you join them into a single stocking. I'd suggest whip stitching them together wrong sides facing.
